THING OF NOTE FOR 2012:

Paying Passengers: All passenger rides and tether rides will be distributed through our ride operation tent. Flying anyone other than paying passengers that we provide for you is STRICTLY PROHIBITED and you must inform the Ride Tent if you plan on carrying a friend or family member. We will be very vigilant on this issue in 2012. Anyone violating this policy will be asked to leave the festival immediately. Furthermore, your credit card will be charged for any hotel room nights, as well as propane, and you will not be paid for any rides due to you. We sold out all 5 flights in 2011 so there are plenty of paying rides for everyone!

Leaving our festival before completing Sunday PM flight. If you need to leave the festival before completing the Sunday night flight, you MUST inform Anna Hauptmann ahead of time so we don't count your basket in rides we can sell. Going to another festival is not an acceptable reason and if it is discovered that you have done so, we will hold back your prize or ride money. **All pilots** must check-in with our ride operation tent during registration.

Sponsor Rides: Non-corporate pilots including private are required to carry two (2) sponsors throughout the weekend (Friday PM – Sunday PM). Sponsor rides will be distributed through the ride operation tent ONLY. Should a pilot volunteer to carry an FAA member, event employee, etc. on their own, it will not be considered a sponsor ride, unless otherwise cleared by **Howard Freeman**. Please note, the festival reserves the right to withhold compensation should a pilot not fulfill his/her obligation with the festival. Local pilots (pilots living less than thirty [30] miles from the festival) will only be required to fly one (1) sponsor ride.
